As well as considering making Pirrone one lane (road diet), and/or, installing roundabouts. They were looking for feedback from the community. Overall comments were positive, as long as traffic is slowed down.

There is a bit of concern regarding crossing patterns for children walking to school using the Sun Glen / Indian Ridge Ln crosswalks across Pirrone. [CLICK HERE FOR PRESENTATION SLIDES](#)

- b. Stanislaus County Sheriff Dirkse providing information on a possible Sheriff station in Salida.

Sheriff Dirkse and Captain Tory Hughes shared of the commitment and plan to have a Sheriff Substation in Salida. First preference for location would be West of 99, utilizing space in the Salida Fire Departments existing facility. Another option would be East of 99, utilizing space in the Stanislaus County Library - Salida

facility. There were staffing and budget numbers explained, and the plan is to staff Salida with 1 Sergeant, and 5 Deputies per shift. The goal is for full implementation of this plan for Mid 2022, with a commitment of those assigned to Salida beginning duties in April of 2022.
