The homicide on C street is still ongoing and could not provide any information at this time, he also reported that theft was on the rise. Parking enforcement has an increase in calls in abandoned trailers etc.

Attendees brought up concerns of illegal marijuana growth and he reminded the community if you see it report it.

Speeding was also brought up and the solution was to try to bring up another operation to combat speeding on Church Street.

Concerns of trains blocking access to Empire were mentioned and Deputy Davis said the railroad has their own private security enforcement and recommended that we try to get someone from the railroad to attend a meeting. He offered his email to address any concerns.

ii. California Highway Patrol

- Officer Moore was not in attendance but left stats for community manager Erica Inacio. For the month of April there were 2 minor injury crashes, 1 hit and run (veh. Vs motorcycle), 1 abandoned vehicle call, 1 arrest - DUI crash, 1 stolen vehicle, 1 bicycle traffic impediment call, and 3 reckless driving calls.

iii. Stanislaus Consolidated Fire

- Marks reported 64 calls for the month of April, 46 of those were medical calls, 12 fire alarms (commercial and residential), 3 vegetation fires along the river, 1 illegal burn on the tracks, and 2 miscellaneous calls. Training has been completed. As they are gearing up for fire season he reminded the community to keep track of weather advisories. He also encouraged the community to report overgrown and dry areas and report illegal fireworks, for more information, concerns, or complaints please use StanConnect. He then brought up the Love Stanislaus volunteer site where you can sign up for assistance from volunteers to check up on the elderly and disabled friends or neighbors during the heat of the summer. The life jacket sharing program is available at all fire departments.

iv. Animal Services

- Officer Sheila Ernest discussed the June promotion - 5 dollar microchips and 1 year license that is included with the chip. The microchips are a great reminder for pet owners for the upcoming 4th of July holiday where a lot of animals tend to wander off. The spay/neuter program is available and all programs are listed on www.stanislausanimalservices.com. Animals not spayed/neutered are \$150 to license, whereas fixed animals are only \$12 and for seniors, the license is \$6. The community brought up concerns of strays and officer Ernest stated to call the number to animal services and to dial ext. 115 as you are more likely to get an operator.
